RESORT

HOME AWAY FROM HOME

ABOUT LAKE BOGORIA SPA RESORT

Lake Bogoria Spa Resort is the only resort in Kenya with a naturally heated pool. The resort is known as the 'healing' place because of the therapeutic values associated with the spa and the hot spring geysers. Lake Bogoria has been described in the past as 'the jewel of the Rift Valley' and in Bishop Hannington's words as the 'most beautiful place in Africa'. Set in the acacia surroundings on the floor of the Great Rift Valley, our Resort is 266km from Nairobi, Kenya's capital city, 114 km from Nakuru City, 95km from the equator crossing, and 20km from Marigat town.

ACCOMMODATION

Lake Bogoria Spa Resort offers a wide range of accommodation including:

- 27 standard rooms facing our green magnificent gardens. The rooms are stylish and fit with rustic African furniture to complement your safari experience and simultaneously offer a warm and cosy ambiance where you can kick back and relax!
- 36 spacious cottages with a spectacular view of Keon Hills.
- 24 junior suites with a modern African aesthetic.
- 6 executive rooms with luxurious décor.
- Spacious tents and a manicured secure camping ground. The camping grounds include a bonfire, WC and 24hr lighting.

****All rooms are air-conditioned, direct dial & extensions, DSTV, Cubic bath tubs /Arabic showers, in room WIFI.***

CONFERENCING, EVENTS AND TEAM BUILDING

Lake Bogoria Spa Resort is considered by many as a perfect location. We provide a variety of indoor and outdoor venues that can be tailored to fit your theme. We have 3 conference rooms that accommodate between 25-200 delegates. They are all fitted with air conditioning, WIFI, a projector and natural lighting.

Our vast, well-manicured gardens are perfect for conducting outdoor team building activities and have the capacity to hold over 1000 delegates.

Additionally, we pride ourselves in organizing private cocktail and themed parties, receptions, and beautiful candlelit bush dinners.

DINING

The resort offers an affluent selection of dining options including local and continental cuisine. This is offered in our 3 bars and 3 restaurants. Most of our produce is derived from our own organic farm. This includes vegetables, fruits, herbs and spices. All of these products are certified organic.

ACTIVITIES

- Swimming in our famous naturally heated spa pool that is renowned for its therapeutic value and in the half-Olympic-sized cold-water pool.
- Relaxing massage at Upendo massage parlour overlooking the nature garden.
- Games including table tennis, pool, badminton, volleyball, and arts and crafts.
- Personalized guided birding tour within the Resort compound.
- Cycling, children's playground and games.
- Visit to the Bee-keeping in-house apiary.
- Shopping at our curio shop with assorted African handicrafts.

ATTRACTIONS

- While strolling with thin the precincts of the resort, one can catch a glimpse of the grey monkeys, ostriches, Marabou storks and Lorwai Swamp 200m from the Resort.
- Hot spring geysers in Lake Bogoria National Reserve.
- Flamingos in Lake Bogoria National Reserve. Bogoria is home to one of the world's largest populations of lesser flamingos and over 350 bird species.
- Wildlife including the rare Greater Kudu.
- Boat rides on Lake Baringo, Baringo County Museum and Snake Park
- Kipsaraman historical site and Tugen Hills

GOING GREEN

Lake Bogoria embraces clean energy transforming sunlight in to usable power around the hotel in these crucial times when global warming is creating a shift in weather patterns.

ABOUT THE RESORT

Rift Valley Hills Resort is set in a quiet environment with an upcountry feeling within Kabarnet Town. It is unique in terms of the beauty, site, serenity and good ambience. The Resort offers the best atmosphere for relaxation, laced with the musical sounds of the birds comes the memories of a holiday.
